Join Us in Texas

Everything is happening in Texas this year! For the first time, all USAWKF Taolu and Sanda Nationals and Team Trial events are being held in Lubbock. The Contemporary Team Trials selects the national team to compete the 14th World Wushu Championships in Russia. The Traditional Team Trials selects the national team to go to the 7th World Kungfu Championships in China. The Nationals competition welcomes wushu athletes of all ages and skill levels to share their skills and see all facets of our sport. The Opening Ceremony will include Wushu performances featuring experts from around the country. In the spirit of Texan hospitality, every competitor in every event is invited as our guest to join us for our Awards Banquet on Sunday night with West Texas style barbecue and dancing. We hope to see you there.
